

Our Tradition of Service

Blessed Fra Angelico, a fifteenth-century Dominican brother, was also a famous painter—so much so that St. John Paul II made him the patron of painters. His chapel for Pope Nicholas V, dedicated to Deacon St. Lawrence, patron of Rome, still survives in the Vatican.

The emperor reportedly told St. Lawrence to show him the treasures of the Church, and so he brought the poor before the emperor, saying that these are the Church's true treasures. Fra Angelico's wonderful 1449 fresco shows Lawrence, who served in Rome in the third century, giving coins to the poor and lame of the city.

Indeed, for the Church, those most in need are those who most interest us, because they are the ones who most interested Christ. From the very beginning, Jesus sent out his apostles, two by two, to prepare people to receive his preaching. They were to heal the sick, cast out demons, and preach the gospel of salvation. He did not concentrate his efforts only on the influential, although he didn't avoid them, but rather invested his efforts in forming his apostles in preaching and service.

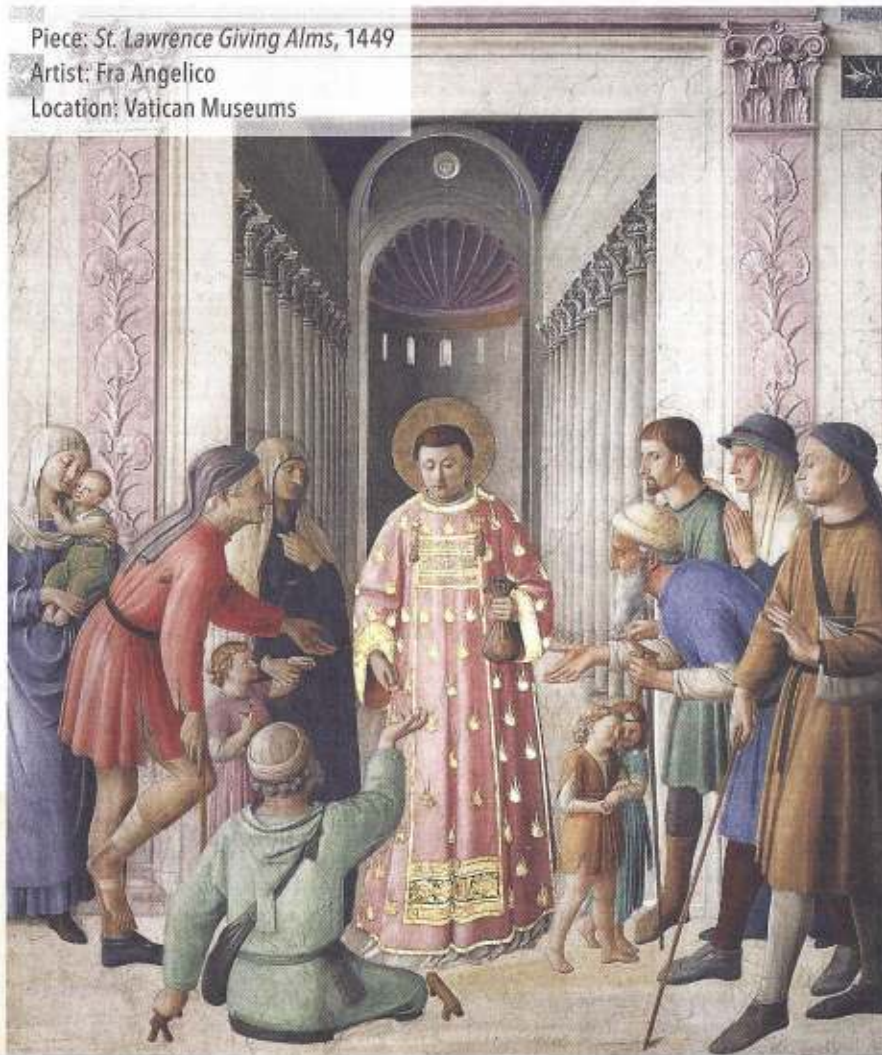

Christ has entrusted the Church with that same mission, and it continues to fulfill this charge worldwide. No continent or country is without the presence of the Catholic Church, with its missionaries and institutions who care for the materially, intellectually, and spiritually poor. We should be proud to be part of such a worldwide force for good that has served so many for so long.

—Fr. Mark Haydu, LC

Artist: Fra Angelico

Location: Vatican Museums

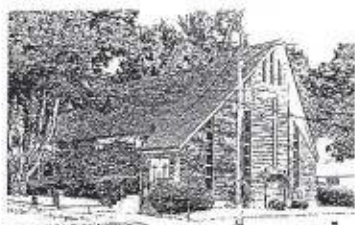

For Reflection

How do I participate in the Church's mission of serving the poor?

What more can I do to educate my children or others in this important aspect?

[Jesus said,] "Whatever place does not welcome you... leave there and shake the dust off your feet in testimony against them."

Mass For Reparation
Every Third Monday

Coming on Monday, July 16th at 5:30PM at St. Thomas More in Dalzell, there will be the celebration of Holy Mass followed by the recitation of the Creed and praying of the Holy Rosary. It will repeat every third Monday at whatever church we are praying the rosary for that month. Our Blessed Mother wants this from us so people 9 months out of the year can receive the following gifts; we will receive peace, consolation from pain, stopping of hiding sins, not being arrogant, more humility, and the blessing of our homes. Please come!

St. Patrick's Cleaning
For Chicken Dinner

St. Patrick's is having a very special event in cleaning the church grounds. The day will be Saturday, July 21st and the time will be 9AM. Anybody who can help would be greatly appreciated! Father will ask Jesus' intercession for a cool day, but with no guarantees!!

St. Patrick's Chicken Dinner

St. Patrick's is having their annual Chicken Dinner on July 29th from 11am - 1pm. It is always absolutely delicious with all the fixins (even other Fixsen's). Please mark it on your calendar!

The Rosary Against Evil

The rosary that we continue to pray on Wednesday nights at 6PM will be prayed at St. Thomas More Church during the month of July in Dalzell. The weeks where Mass and Rosary is celebrated together there is no Wednesday rosary. It is our time to show God, Jesus, Mary how much we need them to fight the evil around us. As we pray through Our Lady of Fatima, the rosary is and always has been our greatest weapon against evil! So please come and join us!

Special Note Regarding Offerings

*The reason we need fundraisers at our parishes is to cover where our weekly collection is below our weekly needs.

For The Week

We have all been chosen in some way or another to do the Lord's work here on earth. And so it is up to each of us to live a holy life worthy enough to find out what the Lord wants from each of us.

Prophets are those chosen by God to share with His people where things need to be corrected in today's world! There are about 16 visionaries who share what God wants people to know that we can see on www.afterthewarning.com. There are a few that are better than the others because they are more specific. However, even Jesus as we hear, the Greatest Prophet, was rejected by His own people. Yet He did many great works. Just as the modern prophets speak the truth today. Please have a great week and stay cool!

ADA Goals 2018-19

Holy Trinity - \$16,421.00
Pledges To Date \$2535 (15%)

St. Patrick - \$11,340.00
Pledges To Date \$2050 (18%)

St. Thomas More - \$10,917.00
Pledges To Date \$3785 (35%)

Sacramental Preparation

Baptisms: Preparation is required for the first child in the family. Baptisms are scheduled on Sundays at noon or by special arrangement. Please contact Father to setup an appointment.

Marriages: Preparations need to be started one year before the Wedding date. Please contact Father for more information.

Rite of Christian Initiation: Per Canon Law of the Catholic Church, anyone over the age of seven years old is to observe the requirements of the RCIA, unless there is a danger of death. If anyone has not received all of the sacraments; baptism, First Communion or Confirmation, please talk to Father.

Mk 6:30-34

Dear Padre,

**Recently a genetic testing kit became available.
Does the Church have any teaching on these tests?**

In principle the Church is not opposed to genetic testing. The number of tests available seems to rise almost daily. The critical issue from a moral standpoint is what we do with the information that is gained.

Any use of the information to harm people would be judged immoral—for example, using genetic information to detect Down syndrome in

a fetus with the subsequent abortion of a developing life. Another example would be using genetic information against people seeking employment or health insurance.

Another concern is the impact that genetic testing results might have on the person receiving it. For example, a person may wish to know if he carries the gene for Huntington's disease, an illness that will surface in his life if he has the gene. There is no cure for this debilitating disease. However, the information may assist him in preparing himself and others for the time when the disease will manifest itself.

In other instances, however, genetic information may lead to prevention and treatment of disease. Such testing would allow spouses to know if they carry a particular gene, for example, associated with cystic fibrosis. A couple finding themselves carriers of the gene should bear this in mind as they make decisions about responsible parenthood.

Summarizing, information obtained from genetic testing holds promise and potential peril. The dignity and life of persons should guide judgments about the morally acceptable use of genetic information.

A Word From Pope Francis

Jesus himself tells us in no uncertain terms that we will be judged by the mercy we show to the poor: those who hunger and thirst, the naked, the stranger, the sick, and those in prison. Particularly in our prosperous societies, Christians are called to guard against the temptation of indifference.

—Jubilee Audience, June 30, 2016
